

Pat Wagner is swamped by Vietnam parcels.

Millie Stroner and Catherine Kloth fix packages.

Pat Sperling, Jerri Polson, Shirley Gehrls, Helen Dowell and Catherine Kloth get ready to pack.

Bess Henning and Helen Dowell seal the boxes.

Women Of The Moose Package For Vietnam

Fifty-six packages for Project Vietnam were packed last week with 15 Women of the Moose helping with the packing.

The packages, which cost \$87.85 in postage, contained candy, playing cards, pens, Bibles, mustard and catsup donated by the Antioch Police Department (1,250 packages), lemonade, soap and many other items.

The boxes for the mailing were donated by Bernie Stadick.

Harry Brechen pointed out that the twist type can openers and paper back books are needed for the next mailing.

The Moose Lodge paid for the

postage on the packages which are sent to our boys overseas.

Recent donors to the project include:

Mr. and Mrs. Fred Birkner.
Pauline Kantos.
Theresa Grefkowitz.
Mr. and Mrs. Eugene Simonson.
State Bank of Antioch.
First National Bank of Antioch.

ANTIOCH, ILLINOIS, THURSDAY, JUNE 5, 1969

VOL. LXXXIII. NUMBER 50

Grade School Sewer, Water Offer Accepted

The Antioch Village Board of Trustees Monday night accepted the Antioch Grade School Board of Education's offer to pay \$35,000 for sewer and water service to the new middle school on Rte. 173 west of the village.

The board will continue to meet on Monday night through the month of June in order to satisfy bids that have already been advertised for.

Beginning in July, however, the board will revert to its usual Tuesday meeting night.

The sewer and water proposal does not commit the village board to put the system in any particular route, it was explained. There has been talk of going down Rte. 173 and other routes prior to the acceptance by the board.

The village fathers agreed to pay any cost for the system above the \$35,000 to be received from the grade school board. One requisite of the transaction is that the property be annexed to the village.

In other action the board rejected the Antioch Zoning Board of Appeals recommendation turning down a variation in width for a lot on North Main Street for multiple family dwelling near the Coral Apartments.

It was pointed out at the meeting that the Zoning Board was merely following the ordinance, but it was also noted that the lot was vacant prior to adoption of the ordinance and therefore a 75 per cent variance could be effected.

The board in other action voted to send two firemen to Champaign on June 5 through 8 to attend firefighting school.

The board also decided that it would give residents of the village until July 1 to cut the weeds from vacant lots.

If the weeds are not cut down by then, the board decided, the village would then cut them and assess a fee of \$10 per lot cut.

The board, in final action, also accepted a road in the Westgate Subdivision to be known as Valley View Court.

tend firefighting school.

The board also decided that it would give residents of the village until July 1 to cut the weeds from vacant lots.

If the weeds are not cut down by then, the board decided, the village would then cut them and assess a fee of \$10 per lot cut.

The board, in final action, also accepted a road in the Westgate Subdivision to be known as Valley View Court.

Summer School Schedule

Final registration for summer school at Antioch High School will be June 16 with the first day of classes beginning on Thursday, June 19.

The last day a student can enter a class will be Monday, June 23 with the last day of summer school on Friday, Aug. 1.

Fees of \$25 will be charged for each semester in which the student is enrolled and book rental fee will be 50-cents per subject.

A student may enroll for one or two subjects and a half-unit of credit, the equivalent of one semester's work, will be given.

Busses will operate within the district for 8 a.m. arrival and 12:10 p.m. dismissal. Students not living within the district or not arriving or leaving at those times must provide their own transportation.

Courses will be cancelled if there is insufficient registration.

A reading and study skills program will be conducted for a group of incoming freshmen.

The project will be 100 per cent

Citizens Committee Formed

The newly formed Citizens Housing committee was recently appointed by the Antioch Village Board with the following members: Trustees Richard T. Daniel and Richard H. Ralke; Walter Delaney, Building Commissioner; Marilyn J. Sterbenz, Village Clerk; John L. Horan, President Antioch Area Chapter, No. 387, of the AARP.

The committee met on Monday of this week to set up and organize an official group in order to cooperate with Lake County Housing Authority and HUD of the Federal government (Housing & Urban Development).

The first order of business was to elect a chairman of the Committee and John L. Horan was selected followed by the election of Marilyn J. Sterbenz as secretary.

Before further business was acted on the committee felt that a trip to Zion should be made to have a visiting tour of "Shiloh Towers," the low rent high rise apartment located on 27th street in Zion, a seven story, sixty unit apartment and the trip will be made on June 11th and to complete the group with others interested visiting the project will be Mayor Raymond Toft, Attorney Edward C. Jacobs, Fire Chief Charles Mapletorpe and Edgar Simonsen, Superintendent of Public Works.

There is much work to be done before any further request is completed with the HUD office in Chicago. Various paper work

Carlson, Roseman Win Awards

Jim Carlson and Craig Roseman received favorable consideration on their entry for the 19th Annual High School Drawing and Design Competition sponsored by the Department of Engineering Graphics at Illinois Institute of Technology.

Their entries were judged one of the 75 best in their division out of some 20,000 entries covering the greater Chicago area.

The competition included Vocational and Technical schools as well as Liberal High Schools in and around Chicago.

Antioch Graduates Receive Diplomas

Antioch Community High School held its graduating exercises Sunday.

The invocation was given by The Rev. Alfred J. Henderson of St. Peter's Church.

Graduating seniors received their diplomas from William E. Brook, president of the board of education, following the commencement address of Rear Adm. Henry Renken, commandant of the 9th Naval District.

Lake Villa Teacher Dead At 27

Donald Strickler, 27, of Lindenhurst, a teacher at the Lake Villa Grade School, died Monday in St. Theresa Hospital, Waukegan, after a short illness.

Mr. Strickler, who was very active with Science Fair work at the school, was a 1963 graduate of Monmouth College and taught for the past five years.

He is survived by his widow, Patricia, a daughter, Angela, his parents, Mr. and Mrs. Arthur Strickler, of Ingleside, a brother, William, and his grandmother, Mrs. Anna Abraham, of Ingleside.

Services will be held at 1 p.m. Thursday, June 5, at St. Mark's Lutheran Church, Lindenhurst. Burial will be in Fox Lake Cemetery.

Memorials may be made in his name to the Lake Villa Teachers Association of which he was a member.

Arrangements were made by the Ringa Funeral Home, Lake Villa.

The Zion Kitchen Band of Zion, under the direction of William Art Morton entertained the Antioch Chapter of the AARP at its monthly meeting May 27. There are 28 members of the band who range in age from 64 to 91.

McClory Names New Aide

Congressman Robert McClory

(R-12th Ill.) has announced the promotion of Mrs. Eulalia Osby Corbin as his Administrative Assistant. Mrs. Corbin is the first Negro to receive this recognition under a Republican Member of the U.S. House of Representatives.

Serving formerly as the Congressman's Executive Secretary, Mrs. Corbin succeeds Donald E. Deuster who has been appointed as a Congressional Relations officer in the U.S. Department of Transportation.

Mrs. Corbin joined Congressman McClory's Washington staff following his election in 1962. Previously she had served as McClory's secretary in the Illinois State Senate.

Member of a pioneer family from Springfield, Illinois, Mrs. Corbin is well known as a civic and political leader. Her father, the late James Ballard Osby, was elected Assistant Supervisor of Capital Township (Springfield) and served as an alternate delegate to the 1912 Republican National Convention. Her mother was the first woman to register and vote in their precinct, following the ratification of the 19th Amendment, and maintained a perfect voting record in the ensuing 42 years of her life.

Her father also was once the inheritance tax assessor for Lake County and, as a child, Eulalia accompanied him to what is now Illinois' 12th Congressional District. Since joining the staff of Congressman McClory, she has worked throughout the District, spending much time in Wauke-

gan.

A graduate of Springfield High School, Mrs. Corbin also attended the Chicago School of Civics and Philanthropy, Hampton Institute, and the University of Chicago—majoring in sociology and community relations.

Mrs. Corbin was appointed by Mayor MacWhorter as a member of the first Human Relations Commission in Springfield and was later reappointed by Mayor Nelson Hovarth.

Cited by the Springfield Urban League and the Sangamon County United Community Services for outstanding contributions, Mrs. Corbin has served also on the local and state boards of the League of Women Voters and as a member and officer of the Abraham Lincoln Unitarian-Universalist Fellowship.

In naming Mrs. Corbin as Administrative Assistant, the Con-

EDITORIAL

Crackdown Needed

We find it hard to believe that in this day and age—with the publicity given smut and hard core pornography—that the mails are still being used so extensively to send this trash out.

We opened our mail last weekend and found an offer for film which the sender typified as art, but which we can only call pornographic.

There were four poses by four different nude women which left nothing to the imagination.

The sender of this smut was the Cinema Products of Northridge, Calif.

It was offering, in living color, four reels of film, 100 feet in length, of these four women, at a cost of \$45 for black and white and \$60 for color.

It warned that a future law may prohibit the mailing of unsolicited sex oriented advertisements so it advised the potential customer better hurry and get his order in.

It seems to us that if there isn't a law, then the postal authorities had better hurry up and get one passed.

The solicitor makes much of a criteria that says "I am over 21 years of age" but there is no request for proof of this.

We are not prudes, however this trash should be eliminated from the mails and anywhere else it is being sold.

The sale of pornographic film and books and magazines has reached an estimated \$500 million a year in the United States.

Maybe the size of the business has something to do with the lax attitude by authorities. Maybe it is just a breakdown in the moral attitudes of our country today.

We think that it should be stopped—regardless of the attitude.

Our young people of today have enough problems without getting into the smut business.

Watch Out For Kids

School terms are ending and students are getting ready for their summer vacations and so a lot more care is needed on our highways if these youngsters are going to get back to school alive in September.

Parents should constantly remind their youngsters of traffic safety because continuing education is needed for such education to become meaningful.

The highest pedestrian accident rates continue to be among the youngsters and the elderly in our society.

And with vacations upon us heavily traveled roads are even more clogged with drivers trying to cover a lot of territory in a limited period of time.

Both the Lake County Safety Commission and the Chicago Motor Club plug for traffic safety all year round and more so when there are more children on the street as well as drivers.

Youngsters are prone to run into the street without thinking and use residential streets and alleys for playgrounds.

It behooves the adult driver to take a little more care and maybe prevent an accident that will snuff out the life of a little tyke who is guilty of carelessness.

Watch out for kids is the byword at this time of the year.

Your Congressman Reports...

By Cong. Robert McClory

One of the most controversial issues scheduled to come before the present session of the Congress is President Nixon's proposed amendment to the Selective Service Act.

Under the President's proposal, all 19-year-old youths would be subject to the draft under a lot-

tery system. This would affect approximately half of the two million who reach draft age each year and would put at rest many of the objections to the existing system—including the complaints that the present law results in preferential treatment of some youths. The establishment of the lottery system will silence these critics and should give substantial assurance that all will be treated equitably.

The plan would not interfere with the pursuit of a college education. However those who select college in preference to the draft would merely postpone induction until they graduate or drop out of college. Certain hardship deferments would also continue to be granted.

Those who favor scrapping the draft law and its replacement by a volunteer army will find little solace in the President's recommendations. While there are about 700,000 volunteers each

year (approximately one-half of the annual military quota) most enlistments occur at a time when induction under the draft is imminent. It is difficult to estimate how many volunteers there would be if there were no draft law in effect.

Senator Edward M. Kennedy, Democratic Whip of the Senate, has praised the President's proposals and added: "There is no reason whatever to delay approval."

On the other hand, Republican Senator Mark O. Hatfield of Oregon, a principal sponsor of a volunteer army, has criticized the President's proposal. He has declared that the President's lottery system would merely "substitute Lady Luck for General Hershey."

Whatever the criticisms, it is certain that President Nixon's proposal would reduce the period of uncertainty from 7 years to 1 year for most young men. Indeed, with the conditions which prevail today, all but a few who are not called under the lottery system during their 19th year would in all likelihood escape military service—entirely.

While approval of President Nixon's plan seems assured, there will be lengthy debates before this occurs.

Arthritis Fund Drive Under Way

The Illinois Chapter of The Arthritis Foundation will conduct its annual appeal for funds beginning May 26 through June 15 according to E. Stanley Enlund, President of First Federal Savings and Loan Association and President of the Illinois Chapter of The Arthritis Foundation.

"We appreciate the response we've received from the many volunteers who will conduct our appeal this year," stated Mr. Enlund on the opening of the drive.

Recognizing the public's interest in the use of the funds, Enlund reported that in 1968 over \$104,000 was spent for the following: \$23,508 for direct research; \$39,526 on patient and community services including a \$10,000 grant to LaRabida Sanitarium for children with rheumatoid arthritis; \$13,668 for professional education and training; and \$27,610 for public health education.

Enlund hopes for even greater public support in 1969 so the Illinois Chapter can increase research grants, make even more community services available, and inform the medical profession and the public of the hopeful progress in the fight against the nation's number onecrippler.

More volunteers are needed for the 1969 campaign. Contact the Chapter office at 159 N. Dearborn, Chicago or phone 332-2790.

Scout News

CUB SCOUT PACK 192
Cub Scout Pack 192 of Antioch held its last pack meeting of the season on Thursday, May 22, in the Methodist Church Social Hall. Den 4 opened the meeting with the presentation of colors.

David Volling was inducted as a new Bobcat.

Wolf badges were awarded to Tom Bywell, Brian Calloway, Michael Haviland, and Craig Rigby. Arrow points under the Wolf badge were awarded to Howard Anderson, Brian Andrews, Larry Bolton, David Brooke, Jim Bucar, Jack Ester, Kevin Gallagher, Darren Houghton, Duncan Hucker, Tom Koenig, Paul Mapletorpe, Danny O'Brien, Darren O'Brien, Paul Pape, Mike Polsgrove, Keith Radke, John Renfro, Paul Schroeder and Tom Zeman.

Jim Bucar and Tom Zeman received their Bear badges. Arrow points under the Bear badge were awarded to Jim Christiansen and Terry O'Brien.

Year pins were given to John Renfro, Mark Stewart, and Paul Strahan.

Neal Lulofs and Larry Bolton received their Denner badges and David Brooke and Mike Polsgrove received their Assistant Denner badges.

Webelos awards are David DeBoer, Naturalist; John Christiansen, Artist; Keith Gant, Naturalist and Traveler; Robert DuBek, Geologist; Paul Strahan, Aquanaut, and Mike Craig, Aquanaut.

Graduating into the Webelos Den are Paul Mapletorpe, Kurt Plechaty, and Dan Barth. These new additions into the Webelos Den brings the size of the group to 25 boys. A plea was made for new Den Fathers to assist in the new season starting in the fall so that this group will have ample supervision and help for their many projects.

Graduating from Webelos into Boy Scouts were Mike Ware, Terry Dayton, David DeBoer and Robert Walsh.

Remember Webelos — Camp Ma-Ka-Ja-Wan outing for Lad and Dads is June 20, 21, and 22. Cost \$14.00. Make your reservations early.

Paul Mapletorpe broke existing records for Ticket Sales for the Northwest District Camp-O-Rama. Pack 192. Paul sold 82. Special prizes were awarded to Paul and two other top salesmen, Jack Ester and Kevin Gallagher.

A three year service pin was awarded to Mary Johnson, Den Mother who is leaving the pack to return to the East. Replacing her as Den Mother is Mrs. Brooks. Also leaving is Committeeman Rev. Anderson, Den Mother Ruth Renfro, Den Mother Alice Bessette and Publicity Colette Dayton. Help will be needed to replace the retiring workers.

Although there will be no Pack meeting during the summer months, plans are in the making for a July Pool Party and an August family picnic. As soon as exact information is available, the Cubbers will be notified.

During the last few weeks of the season all dens have been feverishly working designing and making their Indian Costumes. All Cubs (except Webelos) came in full regalia prepared to entertain all with a variety of Indian dances.

Den 4 closed the meeting by retiring the colors.

VA Will Improve Two Hospitals

Improvements to Veterans Administration hospitals in Delaware and Illinois were announced by the VA which will soon issue invitations to bid on the projects.

At an estimated cost of \$181,000, the VA plans coronary, medical and surgical intensive care units at the hospital in Wilmington, Del. The bids are to be distributed May 15 and opened publicly at the hospital at 1:30 p.m. June 20.

No new construction is involved, but extensive alterations will be made on the sixth floor of the center wing for the combined coronary and medical units, and to the third floor of the main building for the intensive care surgical unit.

The other project, at an estimated cost of \$34,000, is at the Danville, Ill., hospital where a condensate return pump will be installed in the boiler plant building, along with the installation of a reducing valve station in an underground pit. This will create a build-up of steam for more rapid distribution through the heating system.

Bids for the Illinois project were issued May 15 by the hospital, with the contracts for both projects to be awarded by June 30.

Wayne Koch Promoted At Bell

Wayne A. Koch, 108 Ingleside has been promoted by Illinois Bell Telephone Company from account salesman in Lake Forest to communications consultant. In his new assignment he will handle telephone accounts for large business concerns in the area, including Abbott Labs.

A graduate of Grant Community High School in Fox Lake, Koch studied business adminis-

W. A. KOCH

tration at the University of Illinois. He joined the company as a combox collector in Chicago in 1957. He also worked as a commercial representative and a salesman.

Koch and his wife, Janeen, have two children, Loretta, 6, and Arthur, 5.

He is a member of St. Bede's Catholic Church and the Fox Lake Chamber of Commerce.

Dairymen Get April Price Hike

Representing a one-cent increase over March, a minimum order blend price of \$4.96 per hundredweight will be paid dairy farmers for Grade A milk delivered during April to plants within Zone 1 of the Chicago Regional market order Pure Milk Association has announced.

Zone 1 includes the Illinois and Wisconsin territory within 85 miles of Chicago city hall plus Milwaukee county, Wis., and Winnebago county, Illinois.

The \$4.96 applies to milk of 3.5 percent butterfat content and is a blend of the \$5.53 per hundredweight order price for Class I (bottling) milk and \$4.34 per hundredweight for Class II milk used for other than bottling purposes.

The order price for Class II milk was six cents higher than in March. It helped to offset a decrease of two percent in the utilization of Class I (bottled) milk and the downward pressure of increased production on the blend price.

April Class I (bottling) milk utilization under the order was 48 percent of the 630,080,426 pounds of milk in the pool. The \$5.53 Class I price will return producers nearly 12 cents per quart on that portion of their milk used for bottling purposes.

The producer butterfat differential on April milk under the order is 8.1 cents per hundredweight for each one-tenth of 1 percent above or below 3.5 percent.

The order blend price paid Chicago regional market producers is reduced two cents per hundredweight for each 15 miles beyond Zone 1.

Some representative April 1969 blend prices paid producers follow: Beloit, Janesville and Whitewater, \$4.94; Belleville and Astoria, \$4.88; Fond du Lac and Mt. Horeb, \$4.86; Appleton, Neenah, Denmark and Wrightstown, \$4.82; and Fennimore, Reedsburg and Green Bay, \$4.80.

A superpool established by Central Milk Producers Cooperative provides funds for maintaining a standby pool, advertising and promotion, and supplies needed to meet market demand. CMPC is a group of Wisconsin and Illinois dairy farmer cooperatives, including Pure Milk Association, which supplies most of Chicago's Grade A milk. PMA is marketing agent for the group.

Caution Veterans To Get Releases

John B. Naser, manager of the Chicago Veterans Administration Regional Office, today cautioned Illinois veterans who will be transferring this summer to new jobs in new locations to get releases in writing from the VA on their present G.I. home loans.

The VA official noted that private industry, more and more, is following the long-standing practice of the military services and government agencies of transferring personnel during the summer to avoid disrupting their children's schooling.

In the excitement of moving and concentration on the new job it is easy to overlook the fact that even though a veteran sells his present home, he is still liable for his G.I. loan unless the loan is paid in full or the VA releases him in writing from all future liability on the loan, Naser said.

He also pointed out that the veteran who sells his home because of a transfer to a new location will be entitled to restoration of the VA home loan guaranty in order to purchase a home in his new community if his old G. I. loan is paid off.

Veterans may obtain additional information on release from their loan liability and restoration of their loan entitlement from the Chicago VA Regional Office, Naser said.

Anton Jirka Gets A Master's Degree

Anton J. Jirka of Route 4, Antioch, received a master of public health degree Monday, June 2, during the annual graduation exercises of Tulane University, New Orleans.

The degree was conferred by Dr. Herbert E. Longenecker, Tulane president.

Loren Sexauer Home From Hospital Stay

Loren Sexauer has returned home from a stay in the hospital but must return after two weeks for further tests.

Sexauer, of Addison Lane, Antioch, had been in charge of the fund raising activities of the Antioch Rescue Squad prior to his illness.

Nurses Needed At Downey

U. S. Army headquarters in Chicago announced Friday that the critical nationwide shortage of registered nurses, has created an urgent need for army nurses. In efforts to combat this critical need of nursing personnel the army recruiting service in Northern Illinois and Northern Indiana has instituted an immediate program to acquire registered nurses.

Special emphasis is being placed on individually contacting as many nurses as possible to present the opportunities for service to the nation as an army nurse. The army spokesman noted that never in the history of our nation have nurses needed to be drafted and that they have always risen to the needs of the country. He added that although the shortage was significant, he was positive that America's registered nurses would once again voluntarily come to the needs of the nation.

Openings for registered nurses are available in hospitals from Hawaii and Okinawa, to Europe and Viet Nam. Stateside positions are also available. There are vacancies for all nursing specialties including surgical and pediatrics.

Today's registered nurse may receive a commission from second lieutenant to captain depending upon length and type of experience. Receiving the salary and privileges of a commissioned officer, the army nurse maintains a standard of living equal to her civilian counterpart. She also has available the opportunity for continued schooling in a variety of specialties.

The spokesman added that he encourages patriotic registered nurses to contact any army recruiter or the Army Nurse Corps Counselor at recruiting headquarters at 615 W. Van Buren St., Chicago, Ill., for any information concerning the Army Nurse Corps.

Health Director Reports On Meet

County Health Department Director Dr. Jack I. Smith, chairman of the newly-established Lake County Health Services Planning Committee, reported to the committee on a recent three-week seminar he attended at the University of California. He was one of fifty persons in the field of public health from around the nation to be invited to the conference.

Dr. Smith said he was one of the only two conferencees representing a branch of local government. Smith went on to say that the Lake County committee on health services planning is unique in the country in that the group was formed by an act of the County Board and is working closely with county government to define and ultimately make recommendations on local health problems. Smith told the committee at the meeting, "In a surprisingly short time we have progressed well, and I could talk about our group at the seminar with some pride."

During Thursday's session the committee discussed rules, and methods for expanding the size of the committee. Potential new members will be screened before being recommended to the health, education and welfare committee of the County Board. Nomination for appointment will come through the chairman to the full County Board of Supervisors for approval.

The next meeting of the health planning committee will be on June 26.

Fred Hammer Attends Sales Conference

Fred J. Hammer, 1210 Linne-man Rd., Mount Prospect, district representative in this area for Aid Association for Lutherans, attended the President's Club sales conference at Pittsburgh, Pa., May 21-24. Cited for outstanding life insurance sales in 1968, he was among 115 representatives who qualified to attend the conference.

Gary Williams Wins Award At Arizona

Gary Williams, whose wife is the former Kathleen Ryan and who is the grandson of Mrs. William Hand of Antioch, has made the Dean's List in his first year at the University of Arizona.

Williams, who is in his third year at the college as a law student, received honors award at recent ceremonies at the school. He is a graduate of Antioch High School.

VFW, Aux. Install ...

(Continued from page one)
termaster; Kenneth Liddle, adjutant; Edward Palinski, judge advocate; Ellis Dotson, chaplain; Dr. Earl Hays, surgeon; Fred Elam, officer of the day; Charles Wysoglad, Chester White and Nicholas Gilio, trustees; Nicholas Gilio, guard.

Those installed in the auxiliary by Mrs. Jennie Radschweit of the Waukegan VFW Auxiliary included: Ellen Flint, president; Ida Wysoglad, vice president; Susie Johnson, junior vice president; Shirley White, secretary; Lillian

Burnette, treasurer; Allie Hall-was, chaplain; Lillian Smoc, conductress; Myra Randall, guard; Pearl Anderson, trustee; Shirley White and Margaret Gras, color bearers; Lillian Smoc, historian; and Kate Verkest, patriotic instructor.

Attending the installation was Michael Ganger, a wounded Vietnam veteran with the U.S. Marine Corps.

Other visiting VFW members came from Winthrop Harbor, Lake Villa, Elmhurst and Waukegan. Refreshments were served following the ceremonies.

THE ANTIOCH NEWS—3 THURSDAY, JUNE 5, 1969

Safety Commission...

(Continued from page one)
brary. These films (approximately 60) will be available at no charge to all Lake County schools, governmental agencies, industry, social and civic organizations.

The greater portion of the subject material will be in the area of traffic safety, but other subjects will be covered i.e., narcotics, home safety, industrial safety, water safety, etc. Driver education instructors have indicated a need and interest for materials to supplement their current curriculum.

The second project is for the purchase of 40 driver training simulators to be located at three Lake County High Schools. Libertyville High School, North Chicago High School, and Zion-Benton Township High School. After careful and exhaustive study, it was the joint recommendation of the Lake County Safety Commission and Dr. Petty, Superintendent of Schools, that this project would be one of the most useful in assisting area high schools in their Driver Education programs. Within the three school districts, more than 1,600 persons will receive instruction on these simulator units during the course of the school year.

In addition to increasing the efficiency of current driver education programs, this project will make driver education classes available to a greater number of students and adults.

The simulators will be purchased on a three year lease purchase plan and the cost will be shared equally by the high schools involved and Federal funds provided under the National Highway Safety Act of 1966.

Antioch High ...

(Continued from page one)
Frye Glenn Pearson and team captain Gary Swanson.

Thornton Fractional North, Calumet City will be represented by Rich Henson, Mark Niehter and captain Scott Imhoff.

Clarinetist Phil Levee, a student at Mather High School in Chicago will provide the halftime entertainment. Ed Grennan is host and quizmaster of the weekly colorcast featuring Chicago area high school students in a test of general knowledge.

Legion Auxiliary

By Del Jahneke

The Antioch American Legion Auxiliary will hold its meeting on June 18th, at 8:00 p.m., at the Antioch American Legion Home, Mrs. Bernard Stadick, president, will conduct the meeting.

An election of officers will be held, and also elections of delegates and alternates to the 10th District Auxiliary meetings; to the 2nd Division Convention; and to the Department Convention in July.

Mrs. F. A. Swenson, Chaplain, will conduct a Memorial Service for the two deceased members, and for the war dead. Mrs. Nason Sibley and Mrs. Ben Miller were the two members who died during the past year.

The Antioch American Legion and the Auxiliary give a grateful "Thank You" to a most generous public on Poppy Days. F. A. Swenson and Mrs. Bernard Stadick, Post and Unit Poppy chairmen, respectively, state that the additional funds will be used exclusively in child welfare and rehabilitation programs.

Mrs. Joseph Horton, Illini Girl's State Chairman, Charmaine Daniel, Girl Stater, and Mrs. Richard Daniel attended the 10th District Illini Girl's State Tea, held in the Homer Dahlinger American Legion Home in Waukegan, on Sunday, May 25. They reported it was a lovely affair, with a large group of Girl Staters, former Girl Staters, their mothers and Auxiliary members in attendance, from towns and cities throughout Lake County.

The Antioch Unit was hostess for the 10th District Board Meeting of the American Legion Auxiliary on May 26th. A pot luck supper party preceded the meeting with Mrs. Richard Brady of Gurnee, District Director, as the presiding officer.

The 10th District American Legion Auxiliary will hold its regular meeting on June 11th, at 8:00 p.m., at the Libertyville American Legion Home. Mrs. Richard Brady, Gurnee, District Director, will conduct the meeting.

Mrs. James T. Phelan, Lincoln, State President, will be a special guest of honor. Mrs. Phelan was the unanimous choice of nearly 73,000 Auxiliary members, to serve as their state president this past year. She has been active in the field of rehabilitation of disabled veterans, serving 16 years as chairman of the Auxiliary's Hospital Volunteers at Lincoln State School.

The Eight and Forty, honor subsidiary of the American Legion Auxiliary, elected Mrs. Phelan as their Chapeau Departmental (state head) in 1959-60. A Gold Star Sister, as well as the wife of an active Legionnaire, Mrs. Phelan is the mother of three daughters, all active Auxiliary members.

The election of District officers will be held that night, and election of the 2nd Division Historian. Mrs. Edward Jahneke, District Publicity Chairman, will present the awards to the first and second place winning unit publicity press books, entered in the competition.

The judges are: Mrs. Bernard Stadick and Mrs. Ray Rathmann, both of Antioch, and Mrs. William Moeller, Salem, Wis. These books then go into Division competition. Mrs. Robert Brooge, Deerfield, District Historian, will also give prizes for the first and second winning unit histories.

This is one of the most important District meetings of the year, and a large group of delegates, alternates and members are anticipated.

Each year, the American Legion and the Auxiliary spend a day with the children at the Illinois Sailor and Soldier's Children at Normal. This is known as Pilgrimage Day, and it will be held on June 8th, with state-wide participation. Each one of the 25 districts sponsors a Cottage at Normal. Tenth District and all the Posts and Units in Lake County have sponsored Harbord Cottage for many years.

Where The Boys Are

James J. Briski, Jr., while in basic training at Ft. Leonard Wood, Mo., was an acting platoon sergeant of the 2nd Platoon in B Company.

Briski distinguished himself as an outstanding trainee and received the award for the cycle. With the award went a 15-day leave before being assigned to the 59th Infantry as a heavy armor-mechanic at Ft. Knox, Ky.

Pictured on the job in Vietnam is Army Specialist Four Ronald G. Greslik, son of Mr. and Mrs. George Greslik, RFD 4, Antioch. The 21-year-old soldier is a telephone repairman in the 593rd Signal Company near Saigon.

SIGONELLA, Sicily, May 26—Aviation Anti-submarine Warfare Technician Arman Richard B. Clark, USN, son of Mr. and Mrs. Richard B. Clark of 926 Monaville Road, Lake Villa, Ill., is serving with Patrol Squadron 21 at the Naval Air Facility, Sigonella, Sicily.

The squadron, on a routine deployment to the Mediterranean area, will work under the direction of the U. S. Sixth Fleet and will be a representative of the North Atlantic Treaty Organization (NATO).

Arts Club Names New Directors

At the May 14 meeting of the Libertyville Arts Club, the newly selected board of directors was presented with Nancy Newcomb as the new chairman. Mrs. Newcomb is a resident of Libertyville and has been active in the club for several years. She has received art training in college and is currently employed as a teacher's assistant at Hawthorn School in Mundelein.

The other board members are as follows: Secretary, Helen Brink of Elmhurst; Treasurer, Claire Gilday of Antioch; Program, Carolyn Caruth of Libertyville; Art Shows, Elenor Brown, Libertyville. Additional board members in charge of the club's various functions are Alleen Berg, Lynn Haines, Dan Buchanan, Ed Larson, Mary Bradley, Ed Shiele, and Forrest Pollack.

The club was honored to have as guest speaker Mr. Hal Rogoff of the Evanston Art Center and teacher of Color Theory in Highland Park and Park Forest. Mr. Rogoff is a graduate of the U. of Illinois and has studied with Joseph Albers, color theorist and Buckminster Fuller. His stimulating new ideas in color theory dealt with the position of colors and color as the primary objective in a painting rather than merely decorative. His acrylic paintings illustrated the vibration of color and the intensity change of a color depending on its position in the painting.

Anyone interested in membership in the Libertyville Arts Club is invited to contact Mrs. Newcomb. Also a warm welcome is extended to all to visit Adler House during the month of June to enjoy the exhibit of paintings by Mrs. Alfred Hansen of Wadsworth to be on display at that time.

At the Pilgrimage, the visitors join the school population for church services in the morning, and for a picnic lunch afterward, which they have provided for the occasion. In the afternoon, the I.S.S.C.S. children present their own variety program, and the Legionnaires have a parade for them. In every sense, it is a very special day for both the children and their visitors.

By Lillian Birdsell

WOMEN OF THE MOOSE

Jerri Polson, Jr. graduate regent was crowned queen of sponsors and was honored by the 60 co-workers that attended the dinner held in her honor on Thursday evening, May 22, at the Antioch Moose Home. Her effort was shown to the chapter by sponsoring five candidates for the calendar year.

Recorder Rose Roth had the honor of robing the queen with the royal cape and chaplain Bernie Rosquist presented her with the crown. Her crown, which was cleverly made of pearls, was first given to queen Polson when she was attendant in the Queen. Sponsors parade of Monsehaven. At this time she was unable to wear the gift because of Mooseheart standards but she was very proud to be able to wear it for her own occasion.

The senior regent also presented awards to all chairmen, escorts, appointed officers, special chairmen and all co-workers who have sponsored two or more candidates during the calendar year. The dinner was served by the officers of the Loyal Order under the supervision of Arthur LaFlamme and the services they performed made all the ladies feel like queens.

Following the dinner and the presentations of awards, the Star Recorder committee had a bag party game which really kept all the ladies entertained for the remainder of the evening.

A practice was held Monday evening, for the Academy of Friendship members at the Moose Home. The ring ceremony will take place at the first meeting in June and there are eight new members who will join the friendship circle. Refreshments will be served.

The new senior regent, Rose Marie Hadley, has certainly been busy lining up all her chairmen, escorts and guides for the new term soon to begin. If any of the co-workers feel they can participate in the program, she would certainly appreciate their help.

The Women of the Moose officers and several of the co-workers, plus the Loyal Order officers, Legionnaires and the ritual team all took part in the Memorial Day parade which was held in Antioch on Friday.

Lindenhurst News

RE-ELECTED

Mrs. Ronald (Jean) Ilavin was re-elected president of the Lindenhurst Garden Club at a recent meeting. Also re-elected for a second term were Mrs. Ralph (Mary) Stangel, vice president, and Mrs. Howard (Shirley) Spittle, corresponding secretary. Mrs. Julius (Marge) DeSomer was elected recording secretary and Mrs. James (Jeanine) Reichert, treasurer.

The ladies held their installation dinner at Sabatini's Wednesday, June 4, at 6:30 p.m.

FIRST CHILD

Mr. and Mrs. Donald (Karleen) Davis, 2510 Timber Lane, welcomed their first child at Condell Memorial Hospital on May 11. Little Timothy Carl weighed just 4 pounds 4 ounces at birth. His parents brought him home May 25 when he had gained a little more and brought his weight up to 5 pounds 1 ounce.

BIRTHDAYS

Birthday greetings to Mrs. Lorraine Haznedl, Mary Lou and Greg Crutchfield, Carol Bukkas, Clarence Haznedl, Rebecca Kay Sams, Kelly Elizabeth Lambert, Donna Lynn Nauer, Father John Carolan, Mrs. Martha Brunner, Dawn Lorraine Day, William Ronald Walker, Bonnie Briski, Mark Mohar and Gary Manuel.

ANNIVERSARIES

Our best wishes to Frank and Helen Mindak on their 21st wedding anniversary May 30. Also Gus and Marge Fabry on their 31st wedding anniversary June 4.

SODALITY MEETING

Miss Jane Wolff, Sand Lake Road, Lindenhurst, showed slides taken while she served for 18 months with the Peace Corps in Peru, at the Sodality's monthly meeting June 4.

Rummage for the Sodality's Annual Rummage Sale may be brought to the school starting June 9. The sale will be June 20 and 21.

MOTHER-DAUGHTER NIGHT

Approximately thirty mothers and fifty daughters attended the Lindenhurst Women's Club Mother-Daughter night held recently. Six sixth grade girls entertained the group by dancing the Charleston, Ballin' the Jack, and Folk dances. Dressed in appropriate costumes for the dances were Annette Baker, Kathy Flanagan, Linda Hester, Ann Sweeney,

Adventurer's Club Displays Its Projects

On May 17 the Antioch Adventurers had their 4-H Achievement Night. It began with a pot luck supper at 6:30 p.m.

All of the club's different projects were on exhibit for the parents and guests to look at. Some of the projects on display were cooking, sewing, electricity, leather craft, ceramics, and entomology.

After supper a program was presented. The mistresses of ceremony were Karen Bodin and Marianne Teresi. A skit directed by Mrs. Donovan titled "Mother Goose Presents a Fairytale of Needles and Pins" was presented. Acting out the part of "Mother Goose" was Mrs. Meuter, Mrs. Bolton as "Mistress Mary," and Mrs. Selak as "Old Mother Hubbard." Many of the club members were also in the skit. Eve January who is a junior leader, assisted Mrs. Donovan in preparing the skit. Kim Klopp displayed her ballet talents with a lovely dance.

Mrs. Helen Volk, the Home Economics Adviser was welcomed and thanked for attending the Antioch Adventurers' 4-H Achievement Night.

The 4-H Share-the-Fun skit which was presented at the Farm Bureau on April 28th was presented again for those who didn't have the opportunity to see it then.

Following the skit there was a drawing. Five club members' names were drawn from a box. The winners received \$10 which is donated by the Antioch Adventurers' club. The \$10 goes toward their camp trip in July. The winners in the drawing were Kit Kakacek, Kim Fischer, Dale Bowers, Ronald Cook, and Jeff Eder.

The program for the evening was concluded by our guest Mr. Regner, a former Peace Corps member. He showed numerous slides about the time he spent in India. After the showing of slides Mr. Regner had a display of the different types of clothing worn in India. Besides the clothing there were items such as a dinner gong, smoking pipe, bowls, jewelry, etc. Mr. Regner was most interesting and his program was enjoyed by all.

Achievement Night was very successful for the Antioch Adventurers' 4-H Club. The success wouldn't be possible without club leaders Mrs. Helen Lagerstrom and Mrs. Emma Klopp.

St. Stephen Sets Laymen's Sunday, June 8

Sunday, June 8th, is Laymen's Sunday at St. Stephen Lutheran Church, Hillside Avenue and Route 59, Antioch.

Services beginning at 9:30 a.m. will be conducted by Laymen: Liturgy, Milo Bailey, 688 Hillside Avenue, Antioch; Sermon: Arthur Wegner, 560 Garys Drive, Antioch; Gospel Lesson: Everett Otiedahl, Rte. 173, Antioch; Epistle: Norman Golden, Rte. 3, Box 804, Antioch, and Old Testament Lesson: Donald Amundsen, 508 First St., Antioch.

Vice Pastor for St. Stephen until a new minister is assigned is Pastor Lawrence Wick, Grace Lutheran Church, Richmond. For Pastoral Services, Pastor Wick may be contacted at 815-478-2841 (Church) or his residence 815-678-3082.

A cordial invitation is extended to everyone to visit and worship at The Church on the Hill. Sunday Worship at 9:30 a.m.

Kathleen Wurster Hosts German Class Picnic

Last Monday, after school, the yard at the home of Kathleen Wurster took on a new look—that of an old fashioned German Beer Garden, complete from red checkered tablecloths to German music.

It was the setting for the German II class picnic.

All of the meat dishes, salads and desserts served were prepared from German recipes by Kathy's grandmother, Mrs. Lydia Vanselow of Chicago. Many of these foods were a new taste experience for her classmates.

When good friends, good food and good fun are combined, one German word sums up the result, GEMUTLICHKEIT.

Black ash wood serves socialized purposes: it splits easily into very thin, yet tough pieces and as a result makes ideal barrel hoops and woven chair bottoms.

Julie Weber and Karen Zigoraki. Some of their teachers taught them how to do the dances and they have been busy entertaining at school functions.

Arts Club Reception Is Sunday

There will be a reception this Sunday, June 8, from 2 to 7 p.m. at the Libertyville Art Center in honor of Mrs. Beulah Kurtz Hansen, who will be exhibiting her paintings through July 6. All are welcome.

Mrs. Hansen is a versatile painter who uses oils and water colors with various techniques. She paints children and their pets, figures and landscapes with understanding and feeling. She studied at the Chicago Art Institute, The Institute at San Miguel Allende, and with such outstanding artists as Elliot O'Hara, Frederick Grant and Arnold Turtle.

The Art Center is located in Adler Park, 1700 N. Milwaukee Ave. The gallery will also be open on Thursdays, Saturdays and Sundays from 1 to 5 p.m.

Antioch's amateur theatre group, Palette, Masque & Lyre, Inc. is launching an all-out season ticket sale campaign for Season Nine.

For the first time PM&L is including the summer musical in their season ticket and luncheon Season Nine with "A Funny Thing Happened on the Way to the Forum" by Burt Shevelove and Larry Gelbart on July 25 and 26 and August 1 and 2.

The Odd Couple by Neil Simon will be presented Oct. 17, 18, 24 and 25.

Fan Fare!! a drammusicomedy is scheduled for February 13, 14, 20 and 21. This will be a variety show filled with drama, music, and comedy.

Auntie Mame by Patrick Dennis will be given on April 17, 18, 24, and 25, as the final production of the season.

PM&L belongs to the Antioch community and to keep alive it must increase its audience support. The goal of the organization is to sell 1000 season tickets.

Team leaders have been appointed to canvass various areas. Mrs. Robert Jensen, 395-0539, Antioch; Ken Smouse, 395-1333, and Wes Camp, 395-2351, the businesses in the area; Gloria Davis, 414-862-6031, near Wisconsin; Marybeth Bentel 395-0791, and Linnea Sershon, 395-0344, Lake Villa and Lindenhurst; Wayne Bentel, 395-0791 and Bill Sershon, 395-0344, Channel Lake.

Anyone interested in helping these team leaders can volunteer assistance by calling the leader or Ken Smouse.

Ken Smouse, chairman of the season ticket drive says, "Let's consider the month of June 'Help keep PM&L alive month.' Get your season tickets now and enjoy an entire year of stimulating live theatre just one block off Broadway in Antioch.

New, familiar, and returning personalities make up the cast of Mary, Mary, PM&L's June play, director Gary Richter announces.

The title role of Mary will be played by Joan Tanner Horton, who has recently returned to Antioch from Arizona with her husband John, who is cast in the role of Dirk Winston. Both Joan and John were active in Antioch Community High School music and drama as well as playing in several PM&L productions.

Mary's husband, Bob, will be played by Bob Holiday from Lake Villa who just recently made The Rainmaker come to life on PM&L stage.

Newcomer Darlene Weighart from Zion, formerly an Antioch resident, plays the "other woman," Tiffany Richards.

Completing the cast as Oscar, Bob's lawyer, is actor-director Don Beveroth from Paddock Lake, Wis.

The set for Mary, Mary will be finished this week and blocking and beginning rehearsals are scheduled. Production crews are forming and a lot of work will be accomplished during the next five weeks.

Mary, Mary will be given on June 20, 21, 27 and 28 at 8:30 p.m. at the PM&L Theatre, 877 Main St., Antioch. Tickets are now on sale. Reservations can be made by calling Ricky Apostol, 395-1217.

Hiawatha Is Theme Of Pageant

Six nights in June—12, 13, 14 and 19, 20, 21—around a glassy lake at Big Timber Reservation, 5 miles west of Elgin, the American Indian will come into his own. This will be the 42nd year "Song of Hiawatha" Pageant, now internationally famous, will be presented by the Big Timber and Kwo-Ne-She Indian dancers and players.

This is the group that led the Orange Bowl Parade in Miami, Florida in 1964. The Hiawatha Indians have also appeared four years in the famous "Day in Old Milwaukee" circus parade sponsored by Schlitz Brewing Company.

The pageant started in 1927 and has continued, uninterrupted, through the years. Today a cast of 150 actors and dancers portray the life and times of the legendary Hiawatha as taken from Longfellow's immortal poem. Carl Parlasca (Injun Par), originator of the annual production, still directs and narrates the 42 year old Pageant.

All costuming is authentic and comes from reservations in the West. Even the wood used to build fires in the teepees is pinion from a reservation in Colorado. Special lighting and pyrotechnic effects have been developed to augment the spectacular colors of the costuming.

The Pageant begins at 8:25 p.m. to take advantage of the natural setting sun. The first view spectators have is like a three-ring circus with Indians everywhere. Some are seen as silhouettes against the skyline, others are seen coming across the lake in canoes.

Following the opening scene, action is concentrated on one of the five stages around the lake to make it possible for spectators to see action without looking from one place to another.

Tickets may be purchased at the gate or by mail from Hiawatha Pageant office, 3 S. Geneva St., Elgin. There is plenty of free parking and picnic space at the Pageant grounds and there is seating for 2000 people.

Sherwood Fraternity Historian

Donald Sherwood, son of Mr. and Mrs. C. D. Sherwood of 340 West Grand Ave., Lake Villa, was recently elected historian of Phi Eta Sigma national scholastic fraternity for freshman men at Illinois Wesleyan University.

Sherwood will serve during the 1969-70 school year. To be eligible for Phi Eta Sigma, a student must earn a grade point average of 3.5 based on a 4.0 average for straight A's during his first semester in college.

Sherwood is a biology major at IWU. He is a 1968 graduate of Antioch Community High School, Antioch.

Marilyn Bennecke Is Copy Editor

Marilyn Bennecke, of 224 Burnett Ave., has been named copy editor of the Northern Star, student newspaper published twice a week during the summer at Northern Illinois University at DeKalb.

Mr. and Mrs. Bishofberger

OPEN HOUSE CELEBRATING 50TH ANNIVERSARY OF MR. & MRS. BISHOFBERGER

Announcing the fiftieth wedding Anniversary of Mr. and Mrs. Anton Bishofberger of Antioch on Sunday, June 8, 1969. There will be an open house for well-wishers at the Stanley Totons', located on Grass Lake Road between Rt. 21 and Rte. 59, starting at 5:00 p.m.

To many people the seahorse is one of the most fascinating of fishes. Its small head actually resembles a horse's and the little creature holds it upright as it swims along with an air of serious dignity.

Social Notes

By Del Jahneke

The David Whites of Chicago, former Antioch residents, are the proud and delighted parents of a baby daughter, Dawn Marie, born on May 3rd, at the Presbyterian St. Luke's Hospital in Chicago. The young lady tipped the scales at 7 lbs. 3 ozs. at birth. Equally happy maternal grandparents are Mr. and Mrs. James Balsamello, Beach Grove, and the paternal grandmother is Mrs. Kathleen White, Deep Lake Road.

The Thomas Jacobsens of Beach Grove, were present at a recent "send off" party of some 20 relatives, at the O'Hare Airport. George Jacobsen and Mrs. Aggie Paulsen (the father and aunt of Tom Jacobsen) were flying to Stavanger, Norway, the homeplace of the Jacobsen family. Mrs. Paulsen has just spent a year in this country, and is returning home, while Mr. Jacobsen, Sr., will be having a three weeks' visit in Norway with family and friends.

After the Memorial Day services, the Ray Rathmanns enjoyed the remainder of the day at the Harold Newyear home in Waukegan. The Newyears are former Venetian Villagers, and Mrs. Newyear was a high school student with Mrs. Rathmann.

The Robert H. Dunlap, Jr., family of Grass Lake, were in Clarence, Mo., for a four day holiday weekend, visiting Bob's cousin, Mrs. Dorothy Waters, at her farm home. The children were enchanted with both baby chicks and baby kittens and the grown-up learned much of the old family history, and viewed gravesites of various antecedents in nearby cemeteries on Memorial Day.

Mrs. Ray Rathmann, Sr., daughter, Susan, and Mrs. Edna Rathmann were guests at a baby shower held for Mrs. Ray Rathmann, Jr., on Friday evening, May 23, at the home of Mrs. LaVerne McHenry. The young Mrs. Rathmann received many lovely and useful gifts for the new baby-to-be.

All are welcome at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, Illinois. Services begin at 11 A.M.

The future of a new college graduate is often punctuated with question marks: which job? what about military service? marriage now or later? But a deeper question is, "How can I do God's thing?" The right answer to this question helps get rid of all other question marks. Listen June 8th at 9:30 a.m. to "AFTER GRADUATION — WHAT NEXT?" on WAIT 820 kc.

GRADUATES SUNDAY AT ST. THERESE SCHOOL OF NURSING

Rhoda Jedele, daughter of Mr. and Mrs. Norman Jedele, Antioch, will be among the graduates at St. Therese School of Nursing, Sunday, June 8. She has completed the three year course. She is a 1966 graduate of Antioch Community High School. She will begin work at McHenry Hospital later this month.

GOLDEN ANNIVERSARY CELEBRATED IN FLORIDA

Mr. and Mrs. Glenn Pierce of Rinear Road, Antioch, returned home last week from a vacation in Florida with Mrs. Pierce's parents, Mr. and Mrs. Lee Stockdale, Jensen Beach, Florida. While there a dinner party was given for the Stockdales in honor of their Fiftieth Wedding Anniversary. Mr. and Mrs. Walker Curries, also of Antioch, were guests at the anniversary party.

GOOD CITIZENS BUILD BETTER COMMUNITIES

Citizenship involves more than casting a ballot, attending a civic club meeting, and obeying the law. Citizenship means wholehearted, day-to-day support of both government and the civic and philanthropic agencies which work for community improvement. (Name of agency or project) benefits your community and directly or indirectly benefits you and yours. And your help is appreciated, needed and deserved. Help, won't you?

Welcome Wagon

Name Director For County Headstart

Miss Byrla L. Carson, 33, currently head teacher of the Erie Neighborhood House in Chicago, a Headstart Child Development Center, has been named director of the Lake County Community Action Project Summer Headstart.

This announcement was made by Andre Singleton, executive director of the Agency who said Miss Carson would assume her duties on June 2. Since 1960 Miss Carson has worked in the field of pre-school education in Omaha, New York, and Chicago. She has done graduate work in educational guidance at the University of Chicago.

One hundred and thirty-five children in Lake County will participate in the summer Headstart Program which runs from June 16 to August 8. This is in addition to the 240 pre-school children enrolled in the year around Headstart Program which will last until July 31 making a total of 375 children served by Headstart in Lake County.

The cost for each child in the summer program is \$332.00; 61 per cent or \$202.52 being paid by the Federal Government and 39 per cent or \$129.48 paid by the local community. Much of the community's share is contributed by volunteers serving as classroom aides and clerical aides; donated health services and classroom space.

Volunteers interested in working with summer Headstart may telephone the Lake County Community Action Project, 662-1393, Extension 42 or visit its offices located at 215 Water Street, Waukegan.

Road Building Costs Up

The cost of highway construction in the fourth quarter of 1968 rose 10.7 percent above the previous quarter, to 132.6 percent of the 1957-59 average, the Bureau of Public Roads of the U. S. Department of Transportation has announced.

Trends in highway construction costs are measured by an index of average contract prices compiled by the Bureau from reports of Federal-aid highway construction contracts awarded by State highway departments.

The increase of 10.7 percent follows a 1.0 percent decrease for the previous quarter. The composite price index for the fourth quarter of 1968 is 11.3 percent above that for the fourth quarter of 1967.

County Clerks, Recorders Meet

Representatives from the Illinois Association of County Clerks and Recorders in Zone 4, which takes in counties in the northern one-third of the State, met in Waukegan Thursday, May 22.

Lake County Recorder Frank J. Nustra and County Clerk Truman G. Gerretsen were co-hosts for the session. Discussion centered around proposed legislation which has been introduced in the General Assembly.

Nustra, chairman of the legislative committee for the association, told the group, "The seed has been planted through pending bills to eliminate all township and county officers except the post of supervisor and a county executive who might have control over all elected officials." Nustra said, not enough county officers around the State take an interest in the various bills affecting them.

Gerretsen urged those present to contact their respective legislators to oppose a bill which would require mandatory re-registration of all voters. He said if passed it would cost Lake County about a half-million dollars.

Another bill mentioned by Gerretsen which he urged be opposed is one calling for standby paper ballots in counties using electronic devices in case of a computer breakdown. "Here again, Gerretsen said, "is a needless expense and a waste of the taxpayers' money."

Winnebago County Clerk Horace Skinner brought attention to two bills on proposed changes in the method of handling of fishing and hunting licenses. He said the bills call for all city and village clerks to turn fees over to the county clerk. Skinner said, "I see a big new bureau being set up in Springfield to handle licenses if these bills pass, and a proportionate increase in the cost of a license to every fisherman and hunter."

Several other pieces of proposed legislation were discussed following luncheon at the Swedish Glee Club. The Zone 4 members will meet again on Thursday, June 19, in Will County.

Antioch Youth Gives Blood To Red Cross

H. William Thompson, Rt. 4, Antioch, Ill., is among 1,947 students, faculty and staff members of the University of Wisconsin at Madison who gave a pint of blood during this spring All-Campus Blood donations on the University's Madison campus.

The gifts of life were collected by the Red Cross Blood Center in Madison for distribution to 88 hospitals in 45 southern Wisconsin counties, including all Madison and University hospitals, and to

Circuit Clerk Turns Over \$340,000

Lake County Circuit Clerk Stephanie Sulthin turned over \$340,000 in excess fees to the County Treasurer last year.

Speaking on the weekly radio program "This Week in Lake County," Mrs. Sulthin said the operation of the Circuit Clerk's office is totally self-supporting. A fee schedule is established by the legislature and followed by all counties in the State.

Last year the clerk's office took in \$577,000 out of which all salaries and expenses were paid. The office handled 53,230 cases including civil and criminal; that is, felony, misdemeanors, traffic, divorces, and small claims.

The circuit clerk keeps all records of the courts, including the central magistrate division and the seven branch courts. She, or one of her deputies, must attend all court sessions and record the proceedings.

Mrs. Sulthin is serving as president of the Illinois Association of Court Clerks this year. The organization is comprised of clerks of the circuit, appellate and supreme courts of Illinois.

The program "This Week in Lake County," produced by the information office, may be heard on any one of the five local radio stations serving the Lake-McHenry County area. Station, frequency and program time follows: WZBN, Zion 1500 kc, 10:25 a.m. Saturdays; WEEF, Highland Park 1430 kc, 12:10 p.m. Saturdays; WEFA-FM Waukegan, 102.3 fm, 5:00 p.m. Sunday; WKRS, Waukegan 1220 kc, 5:30 p.m. Sunday; WCLR, Crystal Lake 850 kc, 8:45 a.m. Wednesday.

FOGGY MORNINGS

Early rising motorists often find they must drive through fog before the sun rises very high. Even though the foggy situation may be temporary, it still is a treacherous period. Fog of any kind reduces visibility. To help ease the situation, reduce your speed and use low beam headlights—not parking lights—in the fog.

the nation's armed forces wherever needed.

Since 1950 when the blood donations were started on the University's Madison campus, two All-Campus donations have been held each year—one in the fall and one in the spring—and over the past 19 years students, faculty and staff members of the University of Madison have donated more than 52,000 pints of blood to the hospitals and armed forces.

4-H Clubs Turn Out Speakers

The second annual Junior Toastmasters Graduation was conducted May 19 at the Lake County Farm Bureau Auditorium. A dinner-meeting audience applauded the presentation of graduation certificates to 16 4-H members who completed the Toastmaster International Youth Training Program.

Marion Groves, Governor Toastmaster, Area 30, spoke briefly of their group's youth program, then presented the graduation certificates.

Tony Titus, Frank Titus, and Roger Shanks, members of the Happy Hayceeds 4-H Club; William Regner, Volo Agricultural Club; Lorelei and Andrea Hertel, Jolly Homemakers Club; Eileen Regner and Patsy Russell, Volo Busy Bees; Mary Kay Nachowicz, Mundelein Elms; Judy Hevrdj and Alison Hevrdj, Sequoit Suzies Club; Ken Scheske, Sequoit Warriors; Delores Russell, Wauconda Agricultural Club; Joy Schimmel and Linda Fillmore, Warren Wranglers; and Linda Neuroth completed the list of graduates.

Five speakers representing the group, Eileen Regner, Frank Titus, Lorelei Hertel, Roger Shanks and Tony Titus, delivered winning speeches during the graduation program. Mary Kay Nachowicz served as toastmistress for the program.

The graduation dinner was attended by 59 persons. Among those attending were members of the Libertyville Toastmasters, Lake County Extension Staff, parents, friends and graduates. Burnell Russell of Volo a member of Toastmasters International, Libertyville, has been in charge of the group of young people since its beginning two years ago.

Training sessions were conducted by Ed Bentz, Les Vogt, and Stan Spammer of Libertyville Toastmasters Club. Each meeting was conducted on the format of a business meeting with enrolled youth alternating as officers and toastmasters. The influence of this training has been evidenced by the performance of these youths in other 4-H leadership activities. Plans for a third Junior Toastmasters training series are under way with a tentative program starting in October, 1969.

Jaycees Support Nixon

A proclamation in support of President Richard M. Nixon's Peace proposal:

WHEREAS, the Lake Region Jaycees stand in full support of the efforts of President Richard M. Nixon in his quest for an honorable peace in the country of South Viet Nam, and

WHEREAS, we support the more than one-half million Americans in South Viet Nam and proudly salute and pay tribute to those 35,000 men who have gallantly and unselfishly sacrificed their lives in this quest for peace, and

WHEREAS, we seek nothing for America, but rather a climate for a self-determination of the peoples of South Viet Nam, and

WHEREAS, we believe that now is the time to indicate to the other side that they should not plan on the resolve of the United States to crumble from within.

Be it therefore resolved that we, The Lake Region Jaycees seek the individual support of every organization of every American to provide a positive unity behind The President of the United States of America in his efforts to effect a lasting and positive world peace.

AARP Will Visit In Galena

On June 10, 1969, the Central West Parlor Coach, Inc., will pick up at the Antioch Savings & Loan parking area 39 members of Antioch Area Chapter of AARP and travel to Galena, Ill., for a tour, arriving in time for noon lunch at the Belvidere Restaurant, also touring Grant's home.

The officers and directors, ten in number will travel to the Swedish Glee Club at Waukegan on Thursday, June 5, attending an AARP workshop from 10 a.m. to 3:00 p.m., under the supervision of George W. Drysdale, Illinois State Director for the AARP.

It's easy to place a classified—Just dial 395-4111.

Edison Makes Right-Of-Way Available

Commonwealth Edison Company is serving scores of communities where land is scarce and at a premium by making its right-of-way available for a variety of public and community uses.

According to Tom Gould, Edison's director of real estate, the utility now has over 2,000 tenants on company owned rights-of-way acquired for high voltage transmission lines. The land thereby serves the public in two ways.

"Land use agreements have opened up over 13,000 acres of right-of-way land for many secondary uses including recreational, community and leisure activities," Gould said. "The property is located on nearly 700 miles of right-of-way throughout Edison's northern Illinois service area. Virtually all accessible land owned outright by Edison under its high voltage transmission lines is now under a land-use agreement of one kind or another."

Among the public and private utilization rights-of-way are Little League clubs, communities, park districts, small businesses, men, corporations, farmers and individual homeowners.

An example is a Little League club that plays ball under Edison's high lines in Palos Heights. Enough property is leased from Edison for three pint-sized diamonds in addition to basketball and tennis courts.

According to Mayor Z. Erol Smith of Palos Heights, the community would have had to sharply limit its baseball operation without the land.

"Our Little League is no little

Three From Antioch To Receive Degrees

Three Antioch students will be among 316 persons receiving degrees from Carthage College, Kenosha, at graduation exercises set for 3 p.m., June 8 at the school.

They include: JoAnn Ruth Bolton, business administration, daughter of Mr. and Mrs. Robert Bolton of 267 Hickory Lane.

Douglas A. Feiler, business administration, son of Mr. and Mrs. Frank N. Feiler, of 717 Turner Ave.

Ernest R. Fortney, biology and history, son of Mr. and Mrs. Robert H. Fortney of RFD 5, Box 271.

THE ANTIOCH NEWS—5 THURSDAY, JUNE 5, 1969

league by a long shot," Mayor Smith said. "Although the community has a population of only 8,000 we turn out nearly 50 teams. In all, some 600 youngsters ranging in age from 8 through 15 participate in our Little League and Babe Ruth teams."

In south suburban Crestwood, the troopers at District 4 Illinois State Police Station found themselves in a parking pinch without room for the 88 cars they use to patrol everything in Cook County south of the Eisenhower Expressway.

"The land we lease next to our station for parking bailed us out of a tight spot," said executive officer Lt. R. Wilson.

Adjacent to the troopers' parking space is another lot. The Illinois Bus Co., Inc., uses Edison right-of-way for parking and servicing over a hundred school buses.

For hundreds of homeowners, Edison right-of-way has provided gardens right in their own backyards to satisfy the green thumb urge of city dwellers.

About 85 homeowners in west suburban Woodridge have their own "utility gardens." They lease right-of-way plots about 50 by 100 feet in size for growing fresh vegetables, flowers and shrubs.

One such gardener is Mrs. Wilma Gaine. "Out here in Woodridge," Mrs. Gaine said, "folks really dig Commonwealth Edison."

To the thousands of homeowners
who will be installing electric
central home air conditioning
this year...

here's how to enjoy spring
all year 'round.

Electric central air conditioning combined with an efficient electric furnace offers year-round "total comfort." Total comfort assures you the worry-free convenience of a constant indoor temperature any time of day or year, regardless of the weather outside.

Spring-like total comfort doesn't have a big price tag, either. It's easy and inexpensive to convert to an electric furnace at the same time you install electric central home air conditioning. And, operating costs are probably a great deal lower than you've been led to believe. In fact, with electricity you can heat an average six-room house for about \$200 a year.

Consider the advantages of year-round total comfort the electric way. Get all the facts by filling out and sending in the coupon below. Or call our nearest office and ask for Tom Rogers. He'll answer any questions you have about converting to electric heat, including a free estimate on installation and operating costs.

Commonwealth Edison Company

All Conference Rank For Three

Jim Carlson, shortstop, Jerry Martin, catcher, and Ralph Zanck, pitcher, have been named to the Northwest Suburban Conference All Conference Baseball Team from Antioch High School.

Four other Antioch players received honorable mention. They included Wilford Wells, pitcher Tom Nickerson, outfield John Meyer, third base, and Denis Pleviak, second base.

The all conference team includes: Randy Dick, OF Lake Forest; Kurt Zeigler, OF Grant.

Boating Becoming Dangerous

Boating is the slow-paced pleasure rapidly becoming as frustrating and potentially dangerous as a trip on the congested highways.

Long summer days and the boating season are here again, and so are the multiplying dangers to the part-time sailor, water skier, and motorboat captain, according to the United States Coast Guard.

Twelve more Illinois residents lost their lives last year in boating accidents than were killed in 1967. Pleasure turned into tragedy and loss of life for 58 persons on Illinois lakes, rivers and waterways last year.

The 127 serious boating accidents recorded last year by the Coast Guard in Illinois resulted in 41 persons being injured.

And \$127,600 worth of boats were reported destroyed or damaged.

Some of this economic loss was covered by insurance. But the Insurance Information Institute warns boat owners to check with their insurance agents before putting their boats in the water to determine if their craft are covered.

The I.I.I. states that if a person carries insurance on his car, it makes equally good sense to do so on his boat.

The Coast Guard points out that nearly 60 per cent of all boating accidents are collisions with other craft or stationary objects in the water. And more than 50 per cent of all boat accidents are labeled by the Coast Guard as the fault of the craft's operator.

A majority of the deaths occur when the boat, an open motorboat in 55 per cent of the cases, capsizes and one or more of the occupants drown.

The greatest amount of property damage results from fire and explosions caused by improper ventilation while fueling, faulty installation of engine and equipment, or just plain inexperience of the operator.

About 16 per cent of those hurt were burned in an explosion or fire aboard the boat, the Coast Guard reports.

The number of vessels involved in accidents tends to reach a peak in early July, the Coast Guard states. Then the number of accidents rapidly decreases as boat owners tend to become more careful.

But deaths have had two peak periods in the past. With the warm weather in May, the number killed jumped to nearly 15 per cent of the yearly total in 1968.

Then there was a period of slight decrease before fatalities again reached a yearly high of 15 per cent in July, the Coast Guard indicates.

Some boat owners may be protected from the financial consequences of an unfortunate accident with liability coverage under their homeowners' policies. Outboards up to 25 horsepower, inboards up to 50 horsepower, and sailboats under 26 feet may be included as a standard feature of a homeowner's policy, the I.I.I. said. Damage to the boat itself may be insured under a separate policy.

Damage suit judgments from boating accidents may easily exceed the \$25,000 basic limit in the homeowners' policy. Additional liability coverage for boats can generally be purchased for a small additional premium.

The I.I.I. adds one word of warning. If the craft's owner plans to use the boat to tow water skiers, he should make sure any liability coverage he has extends to skiing.

Bon Voyage.

Some fishes make temporary pools their homes, and when these dry up, they either travel overland to find water elsewhere, or hole up in mud until the rains come. They may also die, but leave their drought-resistant eggs behind to carry on the race.

Sequoit Sophs Clinch Second

The sophomore baseball team of the Antioch Sequoits finished an outstanding season last Friday. The league record stands

at 12 wins and 2 losses. The season record stands at 13 wins and 4 losses. The players who made this possible and their batting averages are listed:

	AB	R	H	2B	3B	HR	RBI	SB	Avg.
Jarvis, Bob	53	8	25	5	2	1	15	4	.472
Bentel, Steve	46	12	21	3	1	1	13	7	.456
Gross, Chip	51	23	20	2	1	1	7	19	.392
Clasen, Rick	32	6	12	1	1	1	11	8	.375
Rush, Bruce	22	9	8	1	1	1	3	7	.364
Knutsen, Carl	15	7	4	1	1	1	5	4	.266
Stahl, Floyd	34	5	9	1	1	1	5	2	.265
Martin Tom	56	9	14	4	1	1	17	4	.250
Geiger, Mike	42	9	10	2	1	1	9	1	.238
Turzy, Ron	39	9	8	1	1	1	4	1	.208
Lynn, Glenn	10	1	1	1	1	1	1	1	.100
Vos, Ken									
Brauer, Duane									

Batting average goes to Bob Jarvis, who was batting in the clean-up position all season. Chip Gross scored the greatest number of runs (23) and stole the highest total number of bases (19).

Tom Martin had 17 runs batted in which is tops for the team, followed by 15 for Jarvis and 13 for Bentel.

The team collected 128 hits, 90 runs batted in and chalked up 59 stolen bases. The team batting average was .303. 109 runs were scored over the season. Floyd Stahl led the team in assists with

26 from his second base position. The pitching chores were handled very well by Tom Martin, Chip Gross, Steve Bentel and Bruce Rush.

As of this writing Antioch is in second place behind Wauconda. Wauconda defeated Antioch twice, and Antioch defeated all other teams twice. Wauconda was defeated by Grayslake and still had Lake Forest to play. If Lake Forest wins over Wauconda, Antioch would share the Sophomore Championship with Wauconda. The team should be congratulated for their fine efforts.

Boating Tips...

SAFETY EQUIPMENT

In addition to safety devices required by law, such as approved life preservers for everyone aboard, approved fire extinguisher and audible signaling device, the small boat owner would do well to consider having the following items aboard, suggest the Mercury outboard boating experts: anchor and line, bailing device, compass, distress signals, flashlight, first-aid kit and mooring lines.

LANDING A FISH

Boating a fish is almost as difficult as catching one. Potential record breakers have become fatter rather than fatter for many hapless anglers, so the fishing experts at Mercury outboards offer these tips to save a disappointing netting: first, select a long-handled net of sufficient size; never lurch or wave your arms unnecessarily when the fish gets close to the net; always put the net in the water before the fish is brought into landing position; then pull him head first over it and lift; lift smoothly, and in one motion, bring the netted fish into the boat.

The leading hitters were: 1st baseman Greg Crutcheff, .457, catcher Jim Revel, .320, and pitcher-outfielder Jerry Jakob, .303. Other regulars included: Mike Guilfoyle, shortstop, Jeff January, outfielder and catcher, Bill McConahay, outfielder, Gary Racine, outfielder, who led the team in runs batted in with 10, Jim Wirth, 2nd baseman and Brian Laas, 3rd baseman.

Rick Weiss led the pitching staff with a 3 win and 1 loss record and a 1.45 earned run average. The squad included infielders, Larry Bennecke, Mike Effinger, Rick Plotz and Cary Vistain; outfielders, Paul Lemke, Larry Loef, Pat Mahoney, Pat Michalak, Jim Mihovilovich, Earl Newton and Ken Sterbenz. The two managers were Gary Brown and Bill Janssen.

Freshman Team Had 21 Members

A total of 35 boys tried out for the Freshman Baseball team. Twenty-one boys made up the squad plus two managers.

The team finished the season with a record of 7 wins and 5 losses, 7 and 3 in conference play. The team batting average was .223 and fielding average was .881.

The leading hitters were: 1st baseman Greg Crutcheff, .457, catcher Jim Revel, .320, and pitcher-outfielder Jerry Jakob, .303. Other regulars included: Mike Guilfoyle, shortstop, Jeff January, outfielder and catcher, Bill McConahay, outfielder, Gary Racine, outfielder, who led the team in runs batted in with 10, Jim Wirth, 2nd baseman and Brian Laas, 3rd baseman.

Rick Weiss led the pitching staff with a 3 win and 1 loss record and a 1.45 earned run average. Otto Is Wilmot Champ

Roger Otto, the Wilmot and IRA modified stock car champion, remained in winning form as he won the May Championship title race and trophy at the Kenosha County Speedway, Wilmot.

Otto had won the opening event of Speed Week just one week ago. He started to race in 4th spot and soon took the lead from Ken Hanson of Trevor. Jim Sullivan of Antioch came through the pack and chased Otto nearly all the way but Al Schill of Franksville made the biggest pickup bit of driving and got around Sullivan for second at the Checkered Flag.

Wheel lossing action abounded in the feature with Roger Jacobson of Trevor losing the first one and then his car was struck by Bill Bohn of Kenosha. Later, Jr. Dodd of Waukegan also tossed a wheel which he followed into the pits and out of the feature race. This was the second night for bad luck striking Bill Bohn. On the Indy Eve race he was involved in a mix-up that spun his car around and into the wall.

Judy Pulera of Bloomington also received a Trophy for her win in the Powder Puff Races held on Thursday, May 20.

Summaries:
Fast Time — Ron Bergsma, Richmond, 17.05 sec., 55.14 mph.
30 Lap May Championship Race — Otto, Schill, Sullivan, Eddie Loomis, Bill Kline.
15-Lap Semi-feature — Ray Faulkner, Dick Bentley, John Arnold.
10-Lap Heats:
1st—Tom Anderson, Faulkner, Arnold.
2nd—Otto, Ken Monroe, Roger

Young Wins Feature

Ray Young of Chicago won his fourth feature of the season at the Waukegan Speedway Saturday as a full card of late models stock car events were run between heavy showers. A full field of cars was on hand, in fact, a special consolation race was added besides the feature and the semi-feature races.

James Bond of Blue Island moved into the feature lead on the first lap followed by Bill McEnery of Chicago, Harry Simonsen of Blue Island and Jim Cossman of Waukegan. By the third lap Cossman had moved up to second position and was right on Bond's back bumper.

The ninth lap was an eventful one as Cossman squeezed inside Bond at the start of the lap to take the lead. Near the end of the lap Bud Koehler of Blue Island moved from fifth to third only to spin into the infield. The race was stopped in the 11th lap as six cars piled up on the pit turn. This accident eliminated, among others, fastest qualifier Bill Shoulders of Libertyville who was running in third spot.

Young moved past Bond one lap after the restart for second spot and then took the lead at the half way point and was never seriously challenged. Cossman settled for second with Al Hagerty of

Libertyville finishing third after a late lap challenge from Dennis Burgan of Old Mill Creek.

The semi-feature event was hotly contested with Bob Carpenter of Villa Park leading most of the way for the win. A tight race for third money came to an abrupt halt when Dave Evans of Mundelein and Herb Artelt of Wildwood crashed hard into the backstretch wall in the ninth lap. Bob Roper of Chicago finished second with Ed Pensalek of Round Lake third. Fourth spot was a photo finish with Roger Hagi of Lake Villa only inches ahead of Jerry Welsch of Markem.

The consolation was full of thrills as second place Jerry Learsch blew his engine in the third turn and sent the whole field spinning on the oil. Al Gutche of Pleasant Prairie, Wis., survived to win that event.

The Waukegan Speedway has scheduled its second 100 lap championship race for Saturday night, June 14. The first 100 lap race brought a record crowd to the track and the entry list also set a new record.

Garner Wins at Wilmot

Wilmot, Wis.—At Indianapolis they run the 500 mile Speedway race. At Wilmot Thursday night they ran the Indy Eve modified stock car race. At Indianapolis, 33 cars started. At Wilmot 38 cars competed in a race that was just as exciting, thrilling and while the action wasn't as fast, it was a lot closer.

In the 30 lap feature race Ron Enderlee, Al Schill, John Garner, Ron Bergsma and Dick Dustin were never more than a car length apart until the 25th lap when Schill had engine trouble and pulled out. The biggest pickup driving and passing was performed by Johnny Reimer who started 14th and was up to 4th on the 28th lap when he was forced off the back straightaway. The track was in excellent condition and the cars ran full out all the time. Finishing in close order at the checkered flag waved by starter Duane Sweeney were Garner, Dustin, Bergsma, Billy Gaeden and Wilmot champion, Roger Otto.

Earlier, Enderlee also won the third heat race. Whitey Harris was also a double winner as he took the checkered flag in the second heat and the semi-feature. Jim Sullivan and J. C. Jamerson won the other heats and Reimer was the fastest qualifier at 18.40 seconds for a speed of 51.39 mph.

In the sportsman division, Tom Teske of West Allis was also a double winner in his heat at the feature.

Drivers Try To Stop Roger Otto

President of the Interstate Racing Association, Ray Toft of Antioch, released the point standings for the month of May at the Kenosha County Speedway in Wilmot where the IRA modifieds have just completed the first month of racing.

Defending champion and three time title winner, Roger Otto of Burlington is far ahead.

Although it is early in the season, drivers are already starting to talk about a fourth driving title for Otto. This is a feat that only Johnny Reimer of Caledonia has ever accomplished in modified stock car racing.

Adding further disappointment to the problems of the others who want to beat Otto, is the fact that he uses a Pontiac engine in his modified while nearly all others are Chevy V-8's.

The Pontiac engine is heavier and Otto is only one of three to ever develop this engine with as much satisfaction and performance.

When June gets under way this coming Saturday night at Wilmot, perhaps it will bring about a change in the winning ways of Otto but most feel that his next change will be to go even faster.

Medical Society Golf Outing Set

The Lake County Medical Society and its Women's Auxiliary is sponsoring its Third Annual Golf Tournament to benefit the American Medical Association Education and Research Fund, June 11, 1969, at the Midlane Country Club, Wadsworth, Ill.

Again this year, the trophies have been donated by Dr. and Mrs. H. Budd Lustigman of Highland Park. The 1968 winners will be on the course to defend their titles. Mrs. William Ewald, Waukegan, was the winner of the first low gross trophy and the AMA-ERF traveling trophy. Mrs. John Andrews, Waukegan, captured the 1st low net prize. Dr. Leonard Beck, Lake Forest, shot the lowest gross score for that trophy, while Dr. William Ewald, Waukegan, won 1st low net.

Men's tee-off for 18 holes will be noon or later. Ladies may tee off for 9 holes after 2:30. The doctors and their wives may play 18 holes together, or for those who prefer swimming, the pool will be open.

Cocktails will be served at 6 p.m. with dinner at 7 p.m. Participation in the golf tournament isn't required to enjoy dinner.

Reservations should be made before June 6 with Mrs. Leonard Beck, Lake Forest, or Mrs. John Andrews, Waukegan.

Little League Results

The Antioch Little League, whose opening was postponed because of rain, finally got under way a week ago Monday with a game between the Tigers and the Sox.

Behind the pitching of Jeff Schmidt the Tigers carved out a 5 to 2 victory on 5 runs, 6 hits and 1 error; to the Sox 2 runs, 5 hits and no errors. The losing pitcher was Warner.

The second game was between the Giants and Dodgers with the Dodgers eking out a win 5 to 1 behind the pitching of Lindberg. He gave up 1 run, 6 hits and 1 error while Bogart, for the losers was rapped for 5 runs, 5 hits and one error was committed.

The Cubs and Yankees went at it with Andrews pitching a no-hitter for the Yankees who beat out their opponents by a score of 10 to 2. The Cubs got 2 runs, no hits, and committed 7 errors while the Yanks got 10 runs, 5 hits and committed 6 errors. The loser was Mike Witt.

The Tigers also beat out the Giants by a 7 to 4 score and the Sox clipped the Dodgers 13 to 5 behind the pitching of Sheeldo.

The Pirates and the Cubs went at it on May 26, and the Cubs came home a winner by a score of 11 to 8. A game between the Yankees and the Cardinals, a new team, turned into a rout as the Yanks won 28 to 0 on a no hitter by Albano.

DEATH NOTICES

MAX J. HEEP

Max J. Heep, 76 years old of Hallandale, Florida and formerly of (Rock Lake), Trevor, Wis., passed away Friday, May 30th, at Kenosha Memorial Hospital after a 6 day illness. He was born October 6, 1892 in Chicago, then moved to Petite Lake near Antioch in 1940 and to Rock Lake in 1950, but had moved to Hallandale permanently last year.

He retired in 1957 as a Manufacturers' Representative with J. Capps & Son, Ltd., of Jacksonville, Ill., where he had been employed for over 30 years.

He is survived by his wife Anna (nee Tiechener), one daughter, Mrs. Grace (Albert H.) Greenwald, Milwaukee, Wis., one sister, Mrs. Rose Mazur, of Oakland, Calif., two brothers, John Heep, of Ft. Pierce, Fla., and Edward Heep, of Fort Lauderdale, Fla., and one grandson, William Greenwald.

Funeral services were held Monday at the Strang Funeral Home in Antioch. Rev. Lawrence Wick of the Grace Lutheran Church at Richmond officiated at the services. Interment was in Irving Park Cemetery in Chicago.

CLARENCE E. (PAT) MILLER

Clarence E. "Pat" Miller, 56 years old of Antioch, passed away at 6:00 a.m. on Sunday, June 1st, at his home on Tiffany Road. He was born Sept. 7, 1910 in Bristol, Wis., the son of the late Charles and Mary Miller. He had resided near Pikeville in Wisconsin for 10 years before moving to Antioch in 1920. He had worked for 15 years for Snap-On-Tools in Kenosha until 1950.

He married Louise Zeien on June 7, 1930 at Chicago. He was preceded in death by his parents and one sister, Mrs. Harriet Hawkins on Dec. 25, 1968.

Survivors are his wife, Louise, five sons, James, of Antioch, John of Twin Lakes, Wis., Ronald, Richard and David, all of Antioch; four daughters, Mrs. Joan (William) Message, Gages Lake, Mrs. Patricia (Robert) Lasco, of Antioch, Mrs. Mary (George) Vaughn of Waukegan, Miss Suzanne

Miller, at home; two brothers, George, Miller of Antioch, and Charles Miller of Bristol, Wis., and nine grandchildren.

Funeral services were held at 1:30 p.m. Tuesday at the Strang Funeral Home in Antioch. The Rev. David Ponath of Faith Evangelical Lutheran Church in Antioch officiated. Interment was in Liberty Cemetery.

RAYMOND L. OLSON

Raymond L. Olson, 63 years old of 110 Wilson Road, Ingleside, Ill., passed away at 12:20 a.m. Tuesday, May 27 in St. Theresa Hospital. He was born June 3, 1905 in Chicago and moved to Ingleside 14 years ago. He had been employed for the past 16 years as an insurance adjuster for General Adjusting Bureau. He married Theresa Lieske on Dec. 12, 1960 in Chicago.

Survivors are his wife, Theresa, three sons, Donald (Barbara) Olson, Moraga, Calif., Douglas (Elaine) Olson of Antioch, owner of the General Store, Robert (Jean) Lieske, Hawaii; three daughters, Mrs. Darlene (Donald) Jones, Grayslake; Mrs. Shirley (Ronald) Schellberger, Chicago, and Mrs. Carol (John) Patka, Prospect Heights, Ill., and 26 grandchildren.

Funeral services were held Thursday at the Strang Funeral Home in Antioch. Interment was in the family lot. The Rev. Donald Cobb of the Antioch Methodist Church officiated.

Submarine Veterans Form State Chapter

The Submarine Sailors at Great Lakes formed the first Illinois Chapter and Illinois State headquarters at Great Lakes this past week. All submarine sailors qualified in submarine active, reserve, or honorably discharged are eligible to become a member.

The oldest qualified member was qualified in submarines in 1905 and extends up to the modern Polaris sailor of today.

Charter membership has been extended to August 7, 1969, which is the start of the national convention.

All qualified submariners interested in the National Submarine Convention may get further information by writing to Illinois State Headquarters, P. O. Box 325, North Chicago, Ill. 60064.

IRS Will Conduct Compliance Survey

A "compliance survey" of many northern Illinois business firms to determine if they are filing all required Federal tax returns will begin soon, the Internal Revenue Service said today.

District Director Eugene C. Coyle, Jr., said the survey will take about three months to complete and will be conducted by Revenue Officers. A cross section of non-farm businesses will be checked to see if all required tax returns are being filed.

Coyle said the current survey is not designed to determine whether returns are accurate but only whether all required returns are filed. The survey will also be used to check the completeness of the IRS Master File of business taxpayers.

Most businesses comply conscientiously with the tax laws, Mr. Coyle said. However, he

added, these laws are complex, and some business taxpayers may not be fully aware of all the tax returns which apply to their particular business operations. These may include returns covering income, withholding, social security, and a variety of miscellaneous excise taxes.

"Compliance surveys," Coyle said, "are a continuous part of the regular IRS program to maintain high levels of taxpayer compliance."

Most of the delinquencies brought to light will be the result of honest misunderstandings and oversight. But the rare instances of flagrant abuse which may be discovered, will be dealt with according to law, he added.

Legal Notice

**LEGAL NOTICE
NOTICE OF SALE**

NOTICE IS HEREBY GIVEN that on WEDNESDAY, THE 11th day of June, 1969 beginning at 9:30 a.m., the County Board of School Trustees of Lake County, Illinois, will sell at public sale all its rights, titles and interests in the following described properties at the locations thereof, beginning with property designated number one and thence to properties designated number two and number three, respectively, as follows:

(1) One story frame house building only, located on the

North 41 feet of Lot 129 in County Clerk's Subdivision in the Village of Antioch, Illinois, commonly known as the Kaminski house; street address being 1097 South Main Street, Antioch, Illinois

(2) Two story frame house building only, located on Lot 23 in Charles R. Thorn's Subdivision in the Village of Antioch, Illinois, known as the Frank Lux house; street address being 1110 Bishop Street, Antioch, Illinois

(3) Two story frame house building only, located on Lot 26, Charles R. Thorn's Subdivision in the Village of Antioch, Illinois, known as the Les Sorensen house; street address being 272 Chestnut Street, Antioch, Illinois

The sales will be made on the following terms:

The sale of the interest of the grantor in each of the properties will be made to the highest bidder. A contract will be entered into between the County Board of School Trustees executed by its Secretary and each successful bidder at the conclusion of the biddings, and each successful bidder will be required to deposit fifty per cent (50%) of the amount bid at that time in cash or cashier's check or certified check payable to the "County Board of School Trustees of Lake County, Illinois" and to pay the balance by the first day of July, 1969, in cash or by cashier's check or certified check. Upon payment of the balance of the purchase price, the seller shall make and execute a proper bill of sale to each purchaser of said buildings.

Each purchaser agrees to remove said building purchased from said premises on or before August 1, 1969 in a manner that will not damage the property of the School Board or any adjacent property.

Each purchaser agrees to comply with all ordinances and regulations of the Village of Antioch, Illinois, applicable to removal of buildings.

If any purchaser shall fail to comply with any of the foregoing conditions, then at the option of the County Board of School Trustees, the fifty per cent (50%) deposit will be retained as damages and the bidder will then forfeit all interest in the property.

Dated this 22nd day of May, 1969.

By order of the County Board of School Trustees of Lake County, Illinois.

Gordon H. Smith, President
W. C. Petty, Secretary
(May 22-29-June 5, 1969)

LEGAL NOTICE

IN THE CIRCUIT COURT OF THE 19TH JUDICIAL CIRCUIT, LAKE COUNTY, ILLINOIS, PROBATE DIVISION

ESTATE OF FREDERICK J. THIES, SR., Deceased.

FILE NO. 69P-338

Notice is hereby given pursuant to Section 194 of the Probate

Act, of the death of the above named decedent and that Letters of Administration with Will Annexed were issued on May 27, 1969, to AGNES L. VAN PAT- TEN, Route 3, Box 350, Antioch, Illinois, whose attorney of record is EDWARD C. JACOBS, 425 Lake Street, Antioch, Illinois, and that the first Monday in the month of July, 1969, is the claim date for the estate.

Claims against said estate should be filed in the Probate office of the Clerk of said Court, County Court House, Waukegan, Illinois, and copies thereof mailed or delivered to said legal representative and to said attorney.

STEPHANIE SULTHIN
Clerk of the Court
(June 5, 12, 19, 1969)

NOTICE TO BIDDERS

Furnishings to the Antioch Township Library

The Antioch Township Library Board of Directors, Antioch, Illinois, will receive sealed bids for the Furniture and Carpeting of the Antioch Township Library until June 16, Monday evening, 7:00 p.m. central daylight saving time, at the Antioch Grade School Gymnasium, Main & Depot Street, Antioch, Illinois. Bids will be publicly opened and read at that time.

The bid consists of four separate groups. Bidders may bid on any particular group, on any combination of groups, or on all groups. Each Bidder must bid complete groups in order to receive consideration. Proposals shall be made on the form which is furnished with the specifications. The wording of the proposal shall not be changed, altered or supplemented except in accordance with the instructions. Proposals shall not contain any breakdown of the work and shall be complete for each group or combination of groups, with all the blank spaces filled in. The library is exempted from paying federal excise, state sales and use tax, and Bidders should exclude such items from their bid.

Before submitting a proposal, Bidders should carefully examine the drawings and specifications, visit the site and fully in-

form themselves as to all existing conditions and limitations.

Should a Bidder find discrepancies in, or omissions from the drawings or specifications, or should he be in doubt as to the reading, he should at once notify the Architect in writing, who will issue necessary instructions to all Bidders in the form of an addendum. All addenda will become part of the Contract Documents. No oral interpretation will be made to any bidder as to the meaning of any Contract Documents.

Proposals received after the time for opening will not be considered. It is the Bidder's responsibility to deliver his proposal at the proper time to the proper place.

Drawings and specifications will be available for reference, in the Office of the Librarian, Antioch Township Library, 757 Main St., Antioch, Illinois, and of the Architect, Freund & Arthur, 95 Grant Street, Crystal Lake, Illinois.

A satisfactory bid executed by the Bidder and a security company in the amount equal to ten percent (10%) of the bid shall be submitted with the bid payable to the Antioch Township Library Board of Directors.

No bid may be withdrawn for at least thirty (30) days after the scheduled closing time for receipt of bids, during which period of time the owner may hold each of said bids.

The Owner reserves the right to reject any and all bids and to waive any informalities in bidding, and to award the contracts to the greatest advantage of the Owner.

Antioch Township Library Board of Directors

The Old Timer

"Quiet folks aren't the only ones who don't say much."

Rate Relief May Be Needed Ward Hints

Noting the difficulties of forecasting in an atmosphere of "unpredictables," Chairman J. Harris Ward Tuesday estimated Commonwealth Edison Company's 1969 per-share earnings at \$3.15, give or take a few pennies.

Addressing stockholders at their annual meeting in the Prudential Building assembly hall, he also suggested the possibility of a rate increase if the company's earnings growth is threatened.

"I need not remind you of the earnings leadership that your company has enjoyed and of your management's determination to maintain the earnings growth trend," he said. "Should this trend be endangered for more than a temporary period and should our up-to-now successful cost control efforts prove insufficient, I assure you we shall seek rate relief."

Rising taxes, Ward indicated, are one threat to the company's progress in fulfilling its responsibilities to customers and stockholders. He said the federal income tax surcharge last year cost 24 cents a share and added that state and local taxes on electric operations totaled \$101 million and took 14 cents of every revenue dollar.

But he asserted that the company favors a state income tax. "We do so," he said, "because we believe Illinois depends far too heavily on property and sales taxes. The income tax, if coupled with appropriate property tax relief, would bring about a much fairer distribution of state and local taxes and thus help to end the discrimination against our business."

A favorable factor in the company's cost picture, Ward said, is its nuclear program which includes four 800,000-kilowatt units bought under fixed-price turnkey contracts. "The average cost of these four units is \$118 a kilowatt," he said. "Those of you familiar with recent cost trends in generating station construc-

tion will recognize that these are bargain prices."

Pointing also to two giant 1.1 million kilowatt nuclear units the company is building at Zion, he added: "These six new units should give us substantial offsets to rising prices, because their nuclear fuel costs will be well below those of our coal-fired units."

DRIVING FOR TRAFFIC SAFETY

by Paul Powell
Secretary of State

Are you a honker? And I don't mean a goose!

But you are a goose if you use the horn on your car by blasting it every time some traffic situation irritates you.

The horn was put on a car for a very special reason, that of warning a pedestrian or another driver of the presence of an impending disaster that they may unknowingly be headed for.

Scaring people by sudden, loud blasts on your horn may easily cause accidents instead of preventing them. A startled person may make the very move you are trying to warn him against. And a stubborn person becomes only more stubborn when prodded by a blasting horn. Sound your horn only when absolutely necessary. It is only a warning device, not a demand for the right-of-way, and it was never intended as a substitute for a doorman.

For your copy of "Rules of the Road," write to Paul Powell, Secretary of State, Springfield, Illinois 62706.
